National Intelligence Officers

Mr. Herbert Horowitz
Director
Office of Research and Analysis
for East Asia and Pacific
Room 8840
Department of State

Dear Herb,

Here are copies of the Briefing Book for each member of the party by name and an additional two books for your use in INR. I have sent one book to Mike Oksenberg separately and, as we discussed, Mr. Bowie has sent one directly to Secretary Vance.

If you need more books, let me know, we have extra copies.

I appreciate your help in getting this out and I hope others will find it of some value.
